The Tidewater on Vinalhaven Island is closer to the water than any place that’s not a boat. The Inn spans the estuary at the north end of Carver’s Harbor where the ebb and flow of the tides, flowing directly beneath your room, provide a soothing and restful accompaniment to your stay.

The Tidewater maintains a flotilla of kayaks and canoes (\$40-60/day) at your disposal, as well as maps and a wealth of knowledge about local highlights to point you in the right direction for your island explorations.
